MAP B

How do you get around?

More people are choosing to walk, cycle and use public transport. This guide will help you to get to know your local neighbourhood on foot, by bike or using public transport.

We encourage you to look closely at what's nearby and take the time to explore what our city has to offer.

Perhaps test out a bike path, get your friend together to kick the footy, or walk your dog down to the shops. Whatever you do, it's Your Move.

Catching the bus

On the public transport side of the map, the thick coloured lines represent bus routes. Bus stops are shown as coloured squares along the route. Follow where the bus goes by tracking the thick coloured lines. For more information on bus accessibility visit the Transperth website.

To find out when buses depart from your local stop, visit www.transregional.wa.gov.au or call 13 62 13. You can also call the Albany depot on (08) 9842 2888 during business hours. Bus timetables are available from the Visitors Centre and the library.

Walking and riding

Walking and riding are great ways to fit physical activity into your everyday life. Think about the local trips you make such as going to the shops, dropping kids at school, visiting friends and family or posting a letter. Which of these can you do by walking or riding?

This map shows on-road bike lanes and 'shared paths', which are wide footpaths often painted with large bicycle symbols. These paths connect to some local centres and high-quality shared paths, which are much wider and have a dotted line down the centre.

Due to more and more people riding bikes, plenty of bike racks have been installed in our City. Keep an eye out for the bike parking symbol. The City of Albany is committed to making sure you have plenty of places to secure your bike when cycling about the City. If you have any great ideas as to where a bike rack is needed please email our TravelSmart Officer at travelsmart@albany.wa.gov.au.

Albany has some amazing riding routes, encompassing some of our incredible historical and scenic sites. For more information on what our City has to offer including the handy 10 Great Rides and 10 Great Walks maps, head to www.amazingalbany.com.au.

For more information go to: yourmove.org.au

Tips for the ride

Slow down when passing people walking

Bike riders can now legally ride on footpaths in WA

Make sure you and your family wear a helmet

Ring your bell to let others know you're approaching

Use a white headlight and a red tail light when riding at night
